

Ultra Compact DVR System w/removable drives w/out LCD

P/N SIGC-TPR-25

Ultra Compact DVR System w/removable drives w/out LCD

The ultra compact digital video recorder system provides broadcast quality video and audio recording and playback. This unit provides the controller for the system with removable hard drives, w/out LCD. The single circuit board design video recorder/player is designed for standalone and portable operation. The system is capable of recording up to 50 hours of video data, and recording media can be either hard drive or Flash disk.
