

Basics of Video Teleconferencing (VTC) Training

P/N TRCOMVTC1000.1

Basics of Video Teleconferencing (VTC) Training

Course Description:

This 4-hour course is designed to introduce and provide skills necessary to operate a VTC system. Participants learn through a discussion and "hands-on" format. Topics include description and operation of the system including guidelines for conducting a successful videoconference. SIGCOM will utilize the customer's VTC system and peripheral equipment for instruction. Class size is limited to a maximum of 6 participants.
