

Interior Perimeter Fence

P/N PSFINPSEC1000.1

Interior Perimeter Fence "Now available on our GSA Schedule"

This Interior Perimeter Fence solution is designed standard for the Federal Bureau of Prisons (FBoP) Perimeter. SIGCOM will provide and install fence using the FBoP Technical Design Guidelines, Issue Date:01-31-01. Security Fences and Gates Section 02820-1 through 02820-12, and drawings 02820-D1 through 02820-D23. Barbed Tape is based on section 02835-1 through 02835-3. Installation is based on favorable conditions; therefore, unusual circumstances will require onsite review and costing. Location, identification and relocation, if necessary, of underground obstructions/utilities are the responsibility of the owner.

EXCLUDES: Concrete mow strip.
