<b>Systems</b>				
VI102-1-8	Portable on road vehicle inspection system. Low cam standard record-view w/speed control, previous vehicle, quad, linear, zoom (Ramps, 8 color cameras, PC Controller, Packing Case, 17" TFT Monitor, 20 ft cable)		1 Year	US
VI102-2-8	Portable on road vehicle inspection system. Low cam basic view at actual speed, quad (Ramps, 8 color cameras, PC Controller, Packing Case, 17" TFT Monitor, 20 ft cable)		1 Year	US
VI102-3-8	Portable on road vehicle inspection system. Low cam lite-record, view, previous vehicle, quad (Ramps, 8 color cameras, PC Controller, Packing Case, 17" TFT Monitor, 20 ft cable)		1 Year	US
VI102-21-8	Portable on road vehicle inspection system. Low cam enhanced visual-compare stitched for complete underside visual (Ramps, 8 color cameras, PC Controller, Packing Case, 17" TFT Monitor, 20 ft cable)		1 Year	US
VI102-31-8	Portable on road vehicle inspection system. Low cam advanced compare-digital compare stitch image, database of vehicles, compares to master (Ramps, 8 color cameras, PC Controller, Packing Case, 17" TFT Monitor, 20 ft cable)		1 Year	US
VI102-1-4	Same as VI102-1-8 except it includes only four color cameras instead of eight.		1 Year	US
VI102-2-4	Same as VI102-2-8 except it includes only four color cameras instead of eight.		1 Year	US
VI102-3-4	Same as VI102-3-8 except it includes only four color cameras instead of eight.		1 Year	US
VI102-21-4	Same as VI102-21-8 except it includes only four color cameras instead of eight.		1 Year	US
VI102-31-4	Same as VI102-31-8 except it includes only four color cameras instead of eight.		1 Year	US
VI103-1-8	Fixed on road vehicle inspection system. Low cam standard record-view w/speed control, previous vehicle, quad, linear, zoom (Ramps, 8 color cameras, 17" VGA monitor, 20 ft cable)		1 Year	US
VI103-2-8	Fixed on road vehicle inspection system. Low cam basic view at actual speed, quad (Ramps, 8 color cameras, 17" VGA monitor, 20 ft cable)		1 Year	US
VI103-3-8	Fixed on road vehicle inspection system. Low cam lite-record, view, previous vehicle, quad (Ramps, 8 color cameras, 17" VGA monitor, 20 ft cable)		1 Year	US
VI103-21-8	Fixed on road vehicle inspection system. Low cam enhanced visual-compare stitched for complete underside visual (Ramps, 8 color cameras, 17" VGA monitor, 20 ft cable)		1 Year	US
VI103-31-8	Fixed on road vehicle inspection system. Low cam advanced compare-digital compare stitch image, database of vehicles, compares to master (Ramps, 8 color cameras, 17" VGA monitor, 20 ft cable)		1 Year	US
VI103-1-4	Same as VI103-1-8 except it includes only four color cameras instead of eight.		1 Year	US
VI103-2-4	Same as VI103-2-8 except it includes only four color cameras instead of eight.		1 Year	US
VI103-3-4	Same as VI103-3-8 except it includes only four color cameras instead of eight.		1 Year	US
VI103-21-4	Same as VI103-21-8 except it includes only four color cameras instead of eight.		1 Year	US
VI103-31-4	Same as VI103-31-8 except it includes only four color cameras instead of eight.		1 Year	US
VI104-1-8	Fixed in road vehicle inspection system. Low cam standard record-view with speed control, previous vehicle, quad, linear, zoom (Drain tile and grate, 8 color cameras, air compressor w/air knives, 17" monitor, 20 ft cable)		1 Year	US

VI104-2-8	Fixed in road vehicle inspection system. Low cam basic view at actual speed, quad (Drain tile and grate, 8 color cameras, air compressor w/air knives, 17" monitor, 20 ft cable)		1 Year	US
VI104-3-8	Fixed in road vehicle inspection system. Low cam lite-record, view, previous vehicle, quad (Drain tile and grate, 8 color cameras, air compressor w/air knives, 17" monitor, 20 ft cable)		1 Year	US
VI104-21-8	Fixed in road vehicle inspection system. Low cam enhanced visual-compare stitched for complete underside visual (Drain tile and grate, 8 color cameras, air compressor w/air knives, 17" monitor, 20 ft cable)		1 Year	US
VI104-31-8	Fixed in road vehicle inspection system. Low cam advanced compare-digital compare stitch image, database of vehicles, compares to master (Drain tile and grate, 8 color cameras, air compressor w/air knives, 17" monitor, 20 ft cable)		1 Year	US
VI104-1-4	Same as VI104-1-8 except it includes only four color cameras instead of eight.		1 Year	US
VI104-2-4	Same as VI104-2-8 except it includes only four color cameras instead of eight.		1 Year	US
VI104-3-4	Same as VI104-3-8 except it includes only four color cameras instead of eight.		1 Year	US
VI104-21-4	Same as VI104-21-8 except it includes only four color cameras instead of eight.		1 Year	US
VI104-31-4	Same as VI104-31-8 except it includes only four color cameras instead of eight.		1 Year	US
VI105-1-8	Fixed in road vehicle inspection system (low profile). Low cam standard record-view with speed control, previous vehicle, quad, linear, zoom (8 color cameras, 17" monitor, 20 ft cable)		1 Year	US
VI105-2-8	Fixed in road vehicle inspection system (low profile). Low cam basic view at actual speed, quad (8 color cameras, 17" monitor, 20 ft cable)		1 Year	US
VI105-3-8	Fixed in road vehicle inspection system (low profile). Low cam lite-record, view, previous vehicle, quad (8 color cameras, 17" monitor, 20 ft cable)		1 Year	US
VI105-21-8	Fixed in road vehicle inspection system (low profile). Low cam enhanced visual-compare stitched for complete underside visual (8 color cameras, 17" monitor, 20 ft cable)		1 Year	US
VI105-31-8	Fixed in road vehicle inspection system (low profile). Low cam advanced compare-digital compare stitch image, database of vehicles, compares to master (8 color cameras, 17" monitor, 20 ft cable)		1 Year	US
VI105-1-4	Same as VI104-1-8 except it includes only four color cameras instead of eight.		1 Year	US
VI105-2-4	Same as VI104-2-8 except it includes only four color cameras instead of eight.		1 Year	US
VI105-3-4	Same as VI104-3-8 except it includes only four color cameras instead of eight.		1 Year	US
VI105-21-4	Same as VI104-21-8 except it includes only four color cameras instead of eight.		1 Year	US
VI105-31-4	Same as VI104-31-8 except it includes only four color cameras instead of eight.		1 Year	US
<b>Software</b>				
LVA101	LowView Archive software upgrade; archive of videos to CDROM or network		1 Year	US
<b>Cameras</b>				
LPVC101	License Plate View Camera		1 Year	US
SVC101	Scene View Camera		1 Year	US
OPVC101	Operator View Camera		1 Year	US
OHVC101	Overhead View Camera		1 Year	US
LPSVC101	License Plate and Scene View Cameras		1 Year	US
ALLC101	License Plate, Scene, Operator, and Overhead View Cameras		1 Year	US
<b>Accessories</b>				
RD101	Radiation Sensor		1 Year	US
CC101	Canvas Cover for VI102		1 Year	US
AD101	Auto Vehicle Detection and vehicle heights sensors		1 Year	US
PRC101	LowCam Case for Ramps		1 Year	US

PR101	Cable protector extensions (yellow)		1 Year	US
VIT101A	Vehicle Inspection Tent for Autos		1 Year	US
VIT102T	Vehicle Inspection Tent for Trucks		1 Year	US
CE101	25 ft extension cable for VI102, VI103		1 Year	US
CE102	Additional length on connection cable for VI104 (price per foot)		1 Year	US
TW101	Through-wall connector and cable for guard shack installation (For use with VI102, VI103 control box in guard shack)		1 Year	US
MO101	17" TFT LCD monitor (for use with VI104)		1 Year	US
MO102	19" TFT LCD monitor (for use with VI104)		1 Year	US
MO103	19" TFT LCD "MONITOR UPGRADE" to VI102 or VI103		1 Year	US
<b>Training</b>				
IT102	Installation and Training VI102		1 Year	US
IT103	Installation and Training VI103		1 Year	US
IT104	Installation and Training VI104		1 Year	US
