RSS-2000	10' Automatic Bollard System		US	
RSS-2000K	10' Automatic Bollard System - DOS Certified K-12, K-8 and K-4		US	
RSS-2012	12' Automatic Bollard System		US	
IN-6001	Installation - RSS2000/RSS2000K (installation in asphalt roadway, excavated 2' in medium soils, controls within 50' of unit and a dedicated electrical outlet supplied by others)		US	
IN-6002	Installation - RSS2012 (installation in asphalt roadway, excavated 2' in medium soils, controls within 50' of unit and a dedicated electrical outlet supplied by others)		US	
IN-6003	Installation - Option 1 (installation in other than medium soils)(use with part #'s IN-6001 & IN-6002)		US	
IN-6004	Installation - Option 2 (installation in other than standard roadway and medium soils) (use with part #'s IN-6001 & IN-6002)		US	
<p>The following programs sold by the Distributor will receive 10% commission.</p> <p>Annual Maintenance Program: \$5,000.00 per year US</p> <p>To include a quarterly scheduled maintenance program and supplies necessary for normal operation. This maintenance program is renewable each year and begins at the date of initial equipment acceptance by end user.</p> <p>Extended Warranty Program: \$5,000.00 per year</p> <p>Extended warranty program provides on-site labor for the warranty and will extend the warranty for full parts and on-site labor on a yearly basis. This warranty program is renewable each year and can begin at the date of initial equipment acceptance by end user. US</p> <p>Extended warranty provides "same day" response; when parts are needed, maximum 48 hours to be back in operation. Warranty does not cover acts of god or misuse of the product. The Extended Warranty Program requires the proper maintenance and if the Annual Maintenance Program offered by Robotic Security Systems, Inc. is not in effect, then it is the responsibility of the owner to maintain the product according to the procedures set forth by Robotic Security Systems, Inc. and show proof thereof, otherwise the warranty could be deemed null and void.</p>				
A1001	Actuator / 12v 110v 220v			US
A1001K	Super Actuator / 110v, 220v, 3 phase available			US
A1002	Actuator Access Plate - Front, Back Galv. Ea.	US		
A1003	Actuator Bracket	US
